Set up and switch on your phone

This phone is designed to be used with a one micro SIM card or two micro SIM cards.

1. Place your fingernail in the small slot at the bottom of the phone, lift and remove the cover.
2. If the battery is in the phone, lift it out.
3. Slide the first SIM into SIM slot 1 with the contact area face down. Slide the second SIM into SIM slot 2. Both SIM cards are available at the same time when the device is not being used, but while one SIM card is active, for example, making a call, the other may be unavailable.
4. If you have a memory card, slide the memory card into the memory card slot.
5. Line up the battery contacts, and put the battery in.
6. Replace the back cover.

Switch on your phone

- Press and hold the function key (6).

Charge your phone

- Your battery has been partially charged at the factory, but you may need to recharge it before you can use your phone.
1. Plug the charger into a wall outlet.
 2. Connect the charger to the phone. When done, unplug the charger from the phone, then from the wall outlet.

Lock or unlock the keys:

1. Lock the keypad: select Go to > Lock keypad

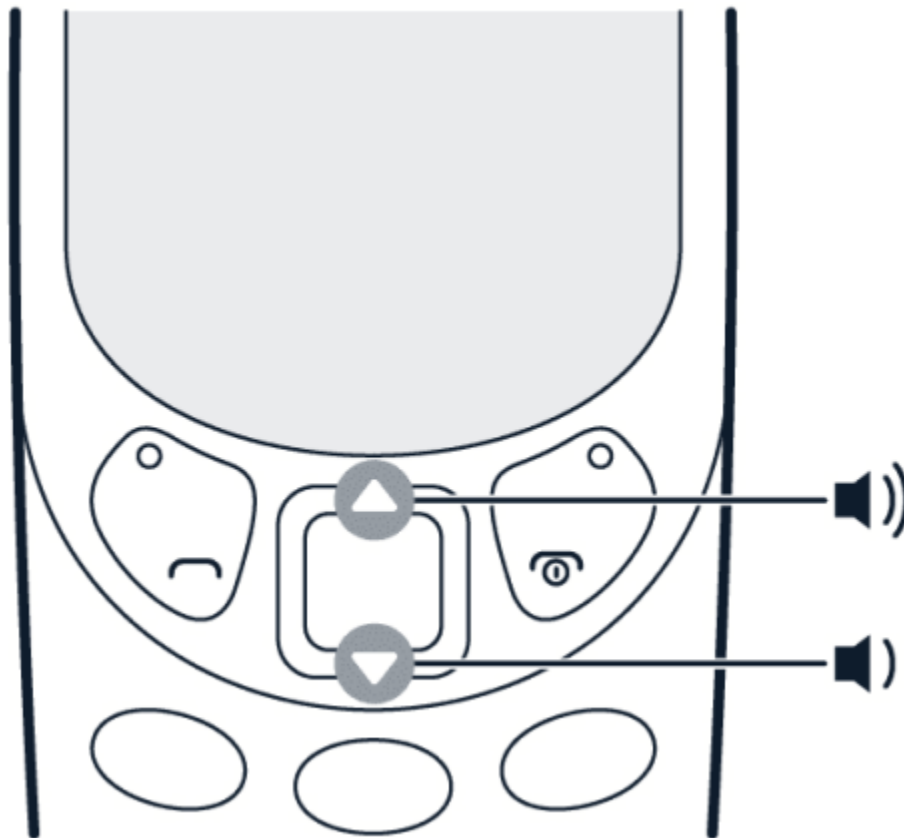

2. Unlock the keypad: Press the function key (6) and select Unlock

Select which SIM card to use:

1. Select Menu > Settings > Connectivity > Dual SIM
2. To choose which SIM to use for calls, select Call , switch Always ask to Off, and select Preferred SIM
3. To choose which SIM to use for messages, select Messaging , switch Always ask to Off, and select Preferred SIM
4. To choose which SIM to use for mobile data, switch Mobile data connection to On, and select Mobile data > Preferred SIM

Change the volume:

- Scroll up or down to change the volume during a call or when listening to the radio.

Change your ringtone:

1. Select Menu > Settings > Tones
2. Choose Ringtone
3. Scroll to a ringtone

4. Press ok

Is your ringtone too loud or too silent? Select Ringing volume and scroll left or right.

Change your message tones:

1. Select Menu > Settings > Tones > Messages
2. Scroll to a message tone
3. Press ok
